

# Meeting Notes for SCHC Membership Committee

## September 26, 2017

Attendees: Adriene, Atanu, Liliana, Michelle, Troy, Amanda, Ann

New members – Amanda Berry. Troy Azzivitto

Topics/Suggestions discussed:

1. Adriene gave an overview of the Membership Committee.
2. Troy will chair the Networking Dinner/Lunches Sub-committee
3. Networking Dinner
  - Multiple locations on each night: have groups of 10 people per each restaurant. to increase the number of restaurants who would permit separate checks per table. (Many restaurants do not allow for separate checks for tables with more than 10 people, which has been a factor in trying to find a location)
  - Update sign-up sheet to include more than 20 attendees.
  - Volunteer to announce the networking dinner to each workshop
4. Networking Lunches – add sign up to App
5. Using the app and social media more to organize and advertise. Although we used this for the Sept conf, I am sure there is more that can be done!
6. Better signage for gathering location in lobby for dinner, and where lunch groups are being formed.
7. Request Networking planning help from SCHC members who live in or near conference location.
8. Troy and Liliana began discussing the Spring Conference Networking activities.
