

Society for Chemical Hazard Communication
Professional Development Training
Classification, Labelling, and Packaging (CLP)
Requirements in the EU

Saturday, September 30 2023
Arlington, Virginia

Course Description and Objectives

This course will outline the key requirements of CLP with respect to hazard communication and highlight the differences with Hazcom 2012. Practical exercises will be held throughout the course to reinforce the learning.

Intended Audience

It is assumed that delegates will have a working understanding of the GHS classification, labelling and safety data sheet requirements in the U.S.

Course Fee: \$450.00 / members \$580.00 / non-members

Course Director / Instructor

Gill Pagliuca

Gill Pagliuca has worked in chemical safety for more than 30 years, providing consultancy services including classification and preparation of safety data sheets for a wide range of customers and products. Gill runs the CHCS modules on classification of substances and mixtures. She is also the current Chair of the CHCS.
