## SCHC FALL MEETING SEPTEMBER 25, 2018

### EXHIBITOR

### SERVICES PROVIDED

#### **AIHA Registry Programs**

Angela Oler, ASQ, CQA  
3141 Fairview Park Drive, Suite 777  
Falls Church, VA 22042 U.S.

703-846-0765  
aoler@aiha.org  
[www.aiha.org/Registries/lar/Pages/sds-label-authoring-registry.aspx](http://www.aiha.org/Registries/lar/Pages/sds-label-authoring-registry.aspx)

AIHA Registry Programs provides credentialing services for professionals in practice areas aligned with protecting worker health. We partner with SCHC on the SDS and Label Authoring Registry Program and administer the SDS Registry exam.

#### **Brandywine Drumlabels, LLC**

Steve Donze  
7 Bala Avenue  
Bala Cynwyd PA 19004 U.S.

610-640-3711  
sdonze@drumlabels.com  
<http://www.drumlabels.com>

Brandywine offers a complementary software, hardware and label media review. Get a FREE labeling evaluation to identify potential issues and lower labeling costs. Ensure your hazard communication program meets all current regulatory requirements. A complimentary assessment of your labeling processes will identify any areas of non-compliance, improve your hazard communication, and lower labeling costs. Color inkjet, color laser, auto-application, Prop 65, hot fills and other operational challenges – let's talk.

#### **CGI Technologies and Solutions, Inc.**

Jennifer Mahoney, SDSRP  
11325 Random Hills Road  
Fairfax, VA 22030 U.S.  
Jennifer.mahoney@cgi.com

OSHA's Alliance program enables OSHA to develop and maintain meaningful, collaborative relationships with public and private organizations to advance workplace safety and health. Alliance participants are committed to working with the agency to:

- Increase awareness about workplace safety and health rights, responsibilities, and hazards/challenges;
- Advance crucial conversations among Agency/participant technical and policy experts about these hazards/challenges; and
- Develop and promote design solutions and best practices;
- To reduce worker injuries and illnesses and foster a culture of safety in workplaces across the U.S.

**UL**

UL  
333 Pfingsten Road  
Northbrook IL 60062 U.S.

+1 (847) 272 8800  
UL.PSIInfo@ul.com

Today's global market is complex and businesses are inundated with rapidly changing demands. Varying legislation, corporate policies and buyer preferences present significant challenges to product development and profitability. Manufacturers and sellers often rely on disconnected systems to manage the product lifecycle, making substantial investments in R&D, data management and risk mitigation.
