AIHA Registry Programs

Angela Oler, ASQ, CQA
3141 Fairview Park Drive, Suite 777
Falls Church, VA 22042
United States

703-846-0765
aoler@aiha.org
<https://www.aiha.org/Registries/lar/Pages/sds-label-authoring-registry.aspx>

AIHA Registry Programs provides credentialing services for professionals in practice areas aligned with protecting worker health. We partner with SCHC on the SDS and Label Authoring Registry Program and administer the SDS Registry exam.

Brandywine Drumlabels LLC

Steve Donze
7 Bala Avenue
Bala Cynwyd, PA 19004
United States

800-807-2588
sdonze@drumlabels.com
www.drumlabels.com

Does your hazard communication labeling program meets all current regulatory requirements? Get a FREE labeling evaluation to identify potential issues and lower labeling costs - printers, label media and labeling software. A complimentary assessment of your labeling processes will identify any areas of non-compliance, improve your hazard communication, and lower labeling costs. Color inkjet, color laser, auto-application, Prop 65, hot fills and other operational challenges - let's talk.

CGI Technologies and Solutions, Inc.

Jennifer L. Mahoney, SDSRP
11325 Random Hills Road
Fairfax, VA 22030
United States

605-592-0551

OSHA’s Alliance program enables OSHA to develop and maintain meaningful, collaborative relationships with public and private organizations to advance workplace safety and health. Alliance participants are committed to working with the agency to:

- Increase awareness about workplace safety and health rights, responsibilities, and hazards/challenges;
- Advance crucial conversations among Agency/participant technical and policy experts about these hazards/challenges; and
- Develop and promote design solutions and best practices;
- To reduce worker injuries and illnesses and foster a culture of safety in workplaces across the U.S.
