

A Synopsis of Current Turkish Chemicals Regulations

Tuğçe Gizem Gürleroğlu, Deputy Director
REACH Global Services

Presenter biography

Tugce is a senior expert in regulatory compliance and the Deputy Director of REACH Global Services (RGS). With a total of 13 years of work experience, Tugce joined RGS in early 2013, right before the second deadline of REACH registrations. Under the rendered consultancy services, together with RGS team Tugce ensures that companies comply with the EU chemicals legislations (REACH, Cosmetics) and Turkish chemicals regulations (SEA, KKDIK, SDS) as well as global chemicals legislations.

Tugce holds a bachelor's degree in Chemistry and recently completed her MBA program. Before RGS, she worked at different companies on domestic and foreign trade as well as consignment sales.
